Quarterly Bonus Points are awarded for each quarter (every three months) of safe driving*. Any driver that hasn't filed a claim with ORDP qualifies.

Annual Safe Driving Bonuses are given for 12 consecutive months of safe driving. Point totals increase for each consecutive year of safe driving!

Milestone Anniversary Bonuses are awarded for 3, 5, 7 and 10 years of consecutive membership

Direct To Us Bonuses are given if you leave a carrier and continue coverage directly with ORDP.

*Quarterly points will not be granted for the following conditions: We hire an attorney on a driver's behalf (regardless of outcome of citation); we hire an attorney on behalf of a drivers spouse (regardless of the outcome of the citation); driver requires bonding or bail. Any of the above scenarios will also result in loss of annual safe driving bonus. Drivers will start earning points again for the first run quarter (three months) of safe driving. Annual Safe Driving bonus mark will restart at that point in time.

Safe Driver Rewards is our way of giving back to drivers for doing what matters most: driving safely. ORDP members who operate safely on the road will earn points that can be redeemed for more than 750 prizes.

Because ORDP is more than just a CDL Protection Plan, think of us as a full benefits package, riding shotgun. It's our mission to keep you on the road, and this is our way of rewarding you for driving safely.
